[City, Province, ZIP Code]

CERTIFICATE OF INTERNSHIP COMPLETION

This is to certify that **[Student's Full Name]**, a student of the **[Program/Department Name, e.g., Civil Engineering]**, has successfully completed an internship at **[Host Organization Name]** from **[Start Date]** to **[End Date]**.

During this internship, **[Student's Full Name]** demonstrated exceptional dedication, professional skills, and the ability to apply theoretical knowledge to practical challenges. The internship provided significant exposure to **[key areas of focus or responsibilities during the internship, e.g., “software development,” “civil engineering design,” “mechanical systems analysis,” etc.]**.

We commend **[Student's Full Name]** for his/her achievements and wish him/her continued success in their future endeavors.

Appendix 4.6: Acknowledgements Page

The acknowledgement section should express sincere appreciation to all individuals, organizations, and institutions whose guidance, encouragement, cooperation, and support contributed to the successful completion of the internship. Appropriate recognition should be given to the host organization, academic supervisors, mentors, colleagues, and any other persons who provided assistance, whether directly or indirectly. If financial support or sponsorship was received from any institution or organization, it should also be duly acknowledged. The acknowledgement should be concise, written in a professional manner, and limited to one page. Use Times New Roman, 12-point font, justified alignment, normal text, and 1.5 line spacing.

Limited to one page only

Appendix 4.7: Abstract Page

Abstract is compulsory. The heading **Abstract**, in capital first letter and bold should be centered between the left and right margins, without punctuating or underlining. Four blank spaces should be maintained before starting the paragraph. (12 pts, Times New Roman, Normal, Justify, Line spacing 1.5)

Limited to one page only

1 blank line space between the paragraphs.

Keywords: 3-7 keywords based on the internship should be kept in the page of abstract below the main text of the abstract leaving one blank line.

Appendix 4.8: Table of Content Page

Table of Content

Title (Times New Roman, 12 Pts, Normal Bold)

1. Cover and Title Page
2. Certificate Page
 - i. External Supervisor(s) Certificate (Host Institute/Organization's letter head)
 - ii. Internal Supervisor(s) Recommendation Certificate (e.g. Campus)
 - iii. Approval Certificate
3. Acknowledgement
4. Abstract Page
5. Table of Contents
6. List of Abbreviations, List of Figures, List of Tables
7. Main Report
8. References
9. Bibliography (if any)
10. Appendices (Screen Shots/ Source Codes/ Work Logs etc. ...)

Prescribed chapters in the "Main Report"

Chapter 1: Introduction

1.1 Introduction (Introduce the work done during internship)

1.2 Background of the works

1.3 Objectives

1.4 Scope and Limitation

1.5 Report Organization

Chapter 2: Organization Details and Literature Review

2.1 Introduction to Organization

2.2 Organizational Hierarchy

2.3 Working Domains of Organization

2.4 Description of Intern Department/Unit

2.5 Literature Review / Related Study (if any)

Chapter 3: Internship Activities

3.1 Roles and Responsibilities

3.2 Weekly log (Log should contain the list of technical activities performed)

3.3 Description of the Project(s) Involved During Internship

3.4 Tasks / Activities Performed (Technical details of the activities done during the internship)

Chapter 4: Conclusion and Learning Outcomes

4.1 Conclusion

4.2 Learning Outcome

References:

Students should be able to relate and contextualize the above-mentioned concepts with their work/activities done during internship at the host organization.

Citation and Referencing

The list of references should be listed in the references section. The references contain the list of articles, books, and URLs that are cited in the document. The books, articles, and others that are studied during the study but are not cited in the document can be listed in the bibliography section. The citation and referencing standard should be APA referencing standard. The text inside the document should be cited accordingly. The APA referencing standard can be found in the web at <https://apastyle.apa.org/>

Report Format Standards

A. Page Number

The pages from certificate page to the list of tables/figures/abbreviations/approvals should be numbered in roman starting from i. The pages from chapter 1 onwards should be numbered in numeric starting from 1. The page number should be inserted at bottom, aligned center.

B. Page Size and Margin

The paper size must be a page size corresponding to A4. The margins must be set as Top = 1”; Bottom = 1”; Right = 1”; Left 1.25”

C. Paragraph Style

All paragraphs must be justified and formatted with 1.5 line spacing.

D. Text Font of Document

The contents in the document should be in Times New Roman font

The font size in the paragraphs of document should be 12

E. Section Headings

Font size for the headings should be 16 for chapter headings, 14 for section headings, 12 for sub-section headings. All the headings should be bold faced.

F. Figures and Tables

Position of figures and tables should be aligned center. The figure caption should be centered below the figure and table captions should be centered above the table. All the captions should be of bold face with 12 font size.

Report Length, Copies and Look

A. The main body of the internship report shall contain approximately **9,000 to 10,000 words** and shall normally comprise **35 to 40 pages**, excluding preliminary pages, references, and appendices. Students shall emphasize technical content, critical analysis, and learning outcomes supported by appropriate figures, tables, and photographs, while avoiding unnecessary repetition and excessive descriptive text.Final Report Binding and Submission:

B. No. of Copies: 3 (College Library + Self + PU, Office of the Controller of Examinations)

C. **Look and Feel: Golden Embracing with Black Binding**

Note: A final approved signed copy of the report should be submitted to the Office of the Controller of Examinations, Pokhara University.

Appendix 4.9: List of Table Page

List of table (Sample)

(Times New Roman, 14 pts, Normal Bold)

Table No.	Title (Times New Roman, 12 Pts, Normal Bold)	Page
Table 1.1	Internship schedule and work plan	3
Table 1.2	Organizational profile of the host organization	5
Table 1.3	Organizational structure of the host organization	7
Table 2.1	Department or project assigned during the internship	11
Table 2.2	Summary of internship objectives and expected outcomes	13
Table 2.3	Resources, equipment, software, or tools used	15
Table 3.1	Daily or weekly work activities performed	20
Table 3.2	Summary of technical tasks completed	23
Table 3.3	Project milestones and progress status	26
Table 3.4	Technical observations and findings	29
Table 3.5	Standards, specifications, or guidelines referred to	32
Table 3.6	Data collected during the internship	35
Table 4.1	Analysis of work completed	40
Table 4.2	Problems encountered and corrective actions taken	43
Table 4.3	Skills and competencies acquired during the internship	46
Table 4.4	Comparison between academic knowledge and industrial practice	49
Table 4.5	Summary of achievements against internship objectives	52
Table 4.6	Recommendations for improving internship practices	55

Here, table number reflects distribution of tables among the chapters. For instance, Table 1.1 means table located in chapter 1. Similarly, Table 2.1 is table located in chapter 2 and Table 4.1, 4.2, and 4.3 are the tables located in Chapter 4. Table 4.1 is the first table of Chapter 4, and consequently 4.3 is the third table in Chapter 4. Similar, number applies for List of figures, and List of plates/pictures.

Fig. 2.2	Internship process flowchart	12
Fig. 2.3	Major equipment, instruments, or software environment	15
Fig. 3.1	Internship activities at the workplace	20
Fig. 3.2	Project execution workflow	23
Fig. 3.3	Sample work output or system interface	26
Fig. 3.4	Engineering process or operational flow diagram	29
Fig. 3.5	Field visit or laboratory activities	31
Fig. 3.6	Data collection or testing procedure	34
Fig. 4.1	Progress of internship activities	39
Fig. 4.2	Graphical presentation of results or observations	42
Fig. 4.3	Comparison of planned and completed activities	45
Fig. 4.4	Summary of skills and competencies acquired	48
Fig. 4.5	Challenges encountered and solution approach	50
Fig. 4.6	Overall internship learning framework	53

Here, figure number reflects distribution of figures among the chapters. For instance, Fig. 1.1 means figure located in chapter 1. Similarly, Fig. 2.1 is figure located in chapter 2 and Fig. 4.1, 4.2, and 4.3 are the figures located in Chapter 4. Fig. 4.1 is the first figure of Chapter 4, and consequently 4.3 is the third figure in Chapter 4. Similar, number applies for List of plates/pictures.

Appendix 4.11: List of Abbreviation Page

List of abbreviation (Sample)

(Times New Roman, 14 pts, Normal Bold)

Abbreviation	Description (Times New Roman, 12 Pts, Normal Bold)
AI	Artificial Intelligence
API	Application Programming Interface
CAD	Computer-Aided Design
CPU	Central Processing Unit
DBMS	Database Management System
EHS	Environment, Health, and Safety
GIS	Geographic Information System
GPS	Global Positioning System
ICT	Information and Communication Technology
IEEE	Institute of Electrical and Electronics Engineers
IoT	Internet of Things
IT	Information Technology
LAN	Local Area Network
m	Meter
m ²	Square meter
m ³	Cubic meter
mm	Millimeter
NEC	Nepal Engineering Council
No.	Number
PPE	Personal Protective Equipment
PU	Pokhara University
QA	Quality Assurance
QC	Quality Control
RCC	Reinforced Cement Concrete
SOP	Standard Operating Procedure

Space between Abbreviation and its details should be fixed as 2.5 cm (1 inch) by using Tab key (don't use colon or semicolon marks in between abbreviations/acronyms and its details). The list of abbreviation/acronyms should be organized in alphabetical order
